

Open Positions for the Faculty of Agricultural Sciences and Technologies

Institution:

Yasar University

Location:

Izmir, Turkey

Positions:

Full Professor, Associate Professor, Assistant Professor

Application Deadline:

June 30, 2021

Employment:

Full-Time

Yaşar University, a non-profit foundation university located in Izmir, Turkey, invites applications for full-time faculty positions at the rank of assistant professor, associate professor and full professor in the newly established Faculty of Agricultural Sciences and Technologies.

The Faculty offers four programs leading to the BSc (bachelor's) degree in

- Agricultural Economics and Agribusiness,
- Animal Sciences and Technologies,
- Plant, Soil Sciences and Cultivation,
- Agricultural Machinery and Technologies Engineering.

The successful candidate will possess the willingness to use his or her expertise to assist in the university's efforts to be a sustainable academic organization committed to excellence.

The qualified candidates

- Must have a PhD in appropriate areas of agricultural sciences/technologies, natural resources or related fields
- Are expected to provide academic support to the areas of agricultural sciences/technologies and natural resources as well as environment and ecology, biological sciences, chemistry, engineering and computer sciences
- Will also have a combination of strong scholarship and teaching experience and the ability to work on a team
- Must have relevant professional experience and a record of successful teaching
- Should participate in student advisement, curriculum development, student activities and faculty-wide committees
- Are expected to involve in research grants processes and expand extramurally funded research with demonstrated experience
- Should work with the University community to promote graduate programs

Candidates should provide a letter of application that addresses the responsibilities and requirements, curriculum vitae, and the names and contact information of three references. Evaluation of applications will begin as soon as received and will continue until the positions are filled. The candidates will immediately be informed about their application status. Applications should be forwarded to the Directorate of Human Resources.
