

March 13, 2020

Dear Yaşar University Students,

The education in the universities has been suspended for 3 weeks as of Monday, March 16, 2020. The academic calendar (mid-term exams, final exams, summer education etc.) will be revised according to further information that will be provided by the Council of Higher Education and will be shared with you.

Precautions on General Health Issues: Routine industrial cleaning actions are being taken strictly. The commonly contacted surfaces such as tables, door handles, and sinks are being cleaned by the cleaning staff regularly and frequently. Shared areas and classrooms across the campus have already been routinely disinfected.

Hand sanitizers have already been placed in the common areas on the campus. It is highly recommended to wash your hands regularly for at least 20 seconds properly.

No students are allowed to enter into the campus, temporarily between March 16 - April 5, 2020. Students requesting the necessary documents by sending e-mails to:

For student certificate, transcript, etc.: oim@yasar.edu.tr (Student certificates and graduation certificates can also be retrieved on the e-state system)

For SSI certificate for internship: insankaynaklari@yasar.edu.tr

For other documentation requests: yaziisleri@yasar.edu.tr
